Andreas Goldemann

Founder of the "Resetting" Institute, one of Europe's leading experts in Mental, Consciousness & Corporate Health Training, a unique Medical Intuitive who specializes in Holistic Pain and Anti Aging Management.

In January 2008, USCIS (U.S. Citizenship & Immigration Service) approved Mr. Goldemann as one of the top specialists in his field worldwide and allowed him to come to the U.S. in rare "O-1 Status" to work as a Motivational Speaker, Trainer and Coach in Holistic & Spiritual Healing.

Goldemann: "We focus our attention on the personal evolution, development, unfolding and health of each individual client. Each of our clients learns how to regain personal energy, vitality, youth and health in an effortless, amazing, simple way, that can be recreated in every-day life by practicing simple pure self awareness."

Free of judgment and conditioning we can live our lives authentically and play the game of life with ease and joy.

Consciousness work combined with physical exercise gives us the chance to experience a state of mindfulness and attention that helps create the life we want with simple methods we can use every day.

-Learn the difference between emotions, feelings and sensations and how they interact with our bodies and minds.

-Learn to recognize, release and create new conditions to balance the perfect basic muscle tone between tension and relaxation.

-Learn to reprogram your destructive subconscious self preservation programs into positive programs to develop your consciousness.

-Learn why our thoughts and our emotions are the creators of our future experience.

-Learn to play effectively to to create a brand new life for yourself.

-Find out what game is the easiest, most joyful one and which one is yours to play?

-Find out which paradigms and dogmas keep us from playing the game of life full out.

-Philosopher's point : The integration of the reasonable. How to gain the max. output through min. Input.

-Manifest neutrality through body exercise to be stable in the here and now.

-Manifest neutrality through body exercise to be stable in the here and now.

-From karma through the spiritual divine laws into total freedom.

-What is outside, what is inside of us? Perceive and realize the difference.

-Understand and integrate quantum physics laws into your life.

-Learn to recognize energy (CHI) and how we can use it to create and to protect our lives.

-Playful contact with attack, fight and defense through CHI exercises.

-Acceptance of the IS condition and realization of the freedom flowing from it.
